SOUTHERN DISTRICT OF NEW YORK
-----X
UNITED STATES OF AMERICA

v.

16 Cr. 521 (JSR)
NOTICE OF MOTION

ANDY GYAMFI,

Defendant.

-----X

PLEASE TAKE NOTICE that upon the annexed memorandum of law, and all papers and prior proceedings had herein, defendant, Andy Gyamfi, will make a motion before the United States District Court, Southern District of New York, 500 Pearl Street, New York, New York, as soon as counsel may be heard, for Orders granting:

1. Preclusion of a 911 call that the Government seeks to admit at trial because: (a) it would improperly bolster the witness' testimony, and (b) it is largely irrelevant relevant under Rule 401 of the Federal Rules of Evidence and otherwise inadmissible under Rule 403 because any probative value is substantially outweighed by the danger of unfair prejudice and needless presentation of cumulative evidence;
2. Such further relief that this Court may deem just and proper.

Dated: February 6, 2019

Respectfully Submitted,
